# Lifestart Corporate Challenge Cup

## Can you beat the Macquarie Team?

Macquarie Real Estate Group is proud to be Principal Sponsor of the Lifestart Kayak for Kids paddling challenge on Sydney Harbour in 2009. This wonderful event raises funds to support Lifestart, an organization providing early intervention services for children aged from 0 to 6 years who have an intellectual disability or developmental delay. Lifestart's teams of professionals in Special Education, Social Work, Speech Pathology, Physiotherapy and Occupational Therapy work with children and their families to ensure that each child achieves the best possible start in life.

What makes Kayak for Kids so wonderful is that everyone can take part - whether you are a complete novice or serious kayaker - and the course takes in some of the most beautiful scenery in the world along the northern shore of Sydney Harbour. The course begins at Blues Point before travelling under the Harbour Bridge and past Cremorne, then around Mosman into Middle Harbour, to finish at Clontarf Beach. There are categories for single, double and team kayakers, with teams being from three to twelve people paddling three-person sit-on-top kayaks provided by AROC Sport. There are four legs, each approximately 4 kilometers apart, with three transition areas where teams can change over paddlers. All team paddlers are provided with life-vests and there is complete safety monitoring throughout.

The Lifestart Corporate Challenge Cup is an extra category to the general categories, specifically for businesses that are entering teams. To win the Lifestart Corporate Challenge Cup, teams compete in both the time they take to cover the course and the amount of fundraising income they raise. Points are awarded in both categories and the team with the highest points score overall wins the Lifestart Corporate Challenge Cup.
